In re Patent No. 6,181,853 :  
Issue Date: May 12, 1998 :  
Application No. 09/392,831 : ON PETITION  
Filed: September 8, 1999 :  
Patentee: Robert K. Wade :

This is a decision in response to a petition under 37 CFR 1.378(c), filed January 28, 2011, to accept an unintentionally delayed payment of a maintenance fee for the above-identified patent.

The petition is DISMISSED.

A petition to accept the unintentionally delayed payment of a maintenance fee under 35 U.S.C. 41(c) and 37 CFR 1.378(c) must be accompanied by: (1) a statement that the delay was unintentional; (2) payment of the appropriate maintenance fee, unless previously submitted; (3) payment of the surcharge set forth in 37 CFR 1.20(i)(2).

The petition lacks item (1) above. In this regard, the petition is not signed, as required by 37 CFR 1.378(d), by an attorney or agent registered to practice before the Patent and Trademark Office, the patentee, or the assignee or other party in interest as established by 37 CFR 3.73(b).<sup>1</sup> Consequently, the petition is considered not to contain a proper statement of unintentional delay and, therefore, cannot be accepted.

If reconsideration of this decision is desired, a properly signed petition for reconsideration under 37 CFR 1.378(e) must be filed within TWO (2) MONTHS from the mail date of this decision. No extension of this 2-month time limit can be granted under 37 CFR 1.136(a) or (b). Any such petition for reconsideration must be accompanied by the petition fee of \$400 as set forth in 37 CFR 1.17(f). The petition for reconsideration must also include any lacking item(s) noted above, since, after a decision on the petition for reconsideration, no further reconsideration or review of the matter will be undertaken by the Director. For applicant's convenience a Statement under 37 CFR 3.73(b) is attached.

<sup>1</sup>37 CFR 3.73(b) provides that: (1) when an assignee seeks to take action in a matter before the Office, the assignee must establish its ownership of the property to the satisfaction of the Commissioner; (2) ownership is established by submitting to the Office, in the Office file related to the matter in which action is sought to be taken, documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment submitted for recording) or by specifying (e.g., reel and frame number) where such evidence is recorded in the Office; (3) the submission establishing ownership must be signed by a party authorized to act on behalf of the assignee; and (4) documents submitted to establish ownership may be required to be recorded as a condition to permitting the assignee to take action in a matter pending before the Office.

The file does not indicate a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

Further correspondence with respect to this matter should be delivered through one of the following mediums:
